

The Mystery of the Antique Watch

The Beginning

You are in an antique shop. The owner shows you a very old pocket watch with a strange engraved symbol. Suddenly, he receives a phone call and has to leave, leaving you alone in the shop.

- Take the watch without asking.
 - The owner returns and looks at you with suspicion.
 - If you confess, the owner smiles and reveals that the watch is magical and chooses its bearer.
 - If you ask about its magic, he explains it can turn back time by 5 minutes.
 - If you try the watch, you rewind time and prevent an accident outside.
 - *Heroic Ending*
 - If you refuse the watch, the owner still gives it to you, though you never use it.
 - *Mysterious Ending*
 - If you return it out of fear, you leave empty-handed but with lingering doubts.
 - If you try to hide it, the owner notices and calls the police.
 - *Tragic Ending*
 - Wait for the owner.
 - The owner rewards your patience with an old coin.
 - If you accept the coin, you notice a map engraved on it.
 - If you follow the map, you find a buried chest.
 - *Adventurous Ending*

- If you keep it as a souvenir, you live the rest of your life with curiosity about what it might have led to.

- *Neutral Ending*

- If you refuse the coin, the owner offers to make you his apprentice.

- *New Beginning Ending*
